

# D'Youville D'Youville College Residence Apartment Complex Application

All applicants must be accepted D'Youville College students and be either: (1) at least **21 years of age** prior to residency or (2) at or beyond their **3<sup>rd</sup> full year of college attendance** to be eligible for housing in the Apartment Complex. Additionally, applicants must be in good financial and judicial standing at the College.

A Housing Damage deposit of **\$100.00** is required and must be received before this housing application can be processed. If including a check, please make it payable to "D'Youville College". You may also pay this housing deposit (as well as other college fees) on-line: <https://dyc.afford.com/PPT/MakeAPayment>

All Apartment Complex applicants will also need to complete the "**Apartmentmate Survey**" form.

Applicants should be aware that simply completing the housing forms and submitting a housing deposit alone does not guarantee a housing placement. Housing seniority is given to those students presently living on campus. Upon receipt of a housing application, apartmentmate survey, and housing deposit, the Residence Life Office will send each applicant an individual message to the e-mail address provided below confirming that a reservation has been made for you if a space is available. If a space is not available, you will be provided with information and contacts for several off-campus housing options in the Buffalo area.
