## **D'Youville Tuition Grant for Combat Veterans**

*D'Youville College has created a new tuition grant program for current and formerly honorably discharged U.S. military personnel who have served in a combat-designated area any time during their military service.*

*D'Youville recognizes the sacrifices of U.S. military men and women and has created this grant to make it easier for them to finish their education. It is also a way to say thank you for all their service in combat.*

*The tuition grant will provide up to \$7,000 yearly and works in cooperation with other financial aid for qualified individuals.*

*The grant is available starting in January 2006 and covers tuition for full- and part-time students in undergraduate and master's degree programs.*

*For more information, contact the NYC admissions office at (716) 829.7600 or Robert Murphy, vice president for student affairs/enrollment management at (716) 829.8199.*
