

D'Youville

A completed medical exam and immunizations are required to fulfill the admission process to the School of Pharmacy and for introductory pharmacy practice experiences (IPPEs).

Please use the following checklist as a guide when completing your Health Form. If your form is not completed correctly or you are missing immunizations, then your registration will be delayed.

This requirement must be completed prior to matriculation into the P-1 year and returned no later than **July 8, 2019**.

Health Insurance: is required for all pharmacy students. If you do not already have coverage, health insurance will be obtained from D'Youville. If you have any questions regarding health insurance, please contact the D'Youville Health Center at 716.829.8777.

Please contact Joanne Bovey or Samantha Broas in the Office of Experiential Education if you have any questions.

Thank you,

Samantha Broas

Name of Company and Type of Insurance Coverage			
Group Number	ID Number	Member Number	Other Numbers

** D'Youville has mandated insurance for students who fall under a certain criteria. If you have insurance you will need to go to the website and show proof of insurance coverage in order to waive. If you do not have the required insurance coverage you must enroll and the cost will be added to your tuition bill. If you do not fall under D'Youville's criteria but wish to enroll you may go to the website and do so. Canadian students please contact the health office 716-829-8777.

AUTHORIZATION FOR HEALTH SERVICE

1. Permission is hereby granted to the D'Youville College Health Center to administer medical services.
2. Permission is also granted in the event of an emergency to:
 - a) Perform emergency procedures and administer medical care;
 - b) To refer the student to a duly licensed physician, surgeon, dentist, or recognized hospital;
 - c) To grant on my behalf to any such licensed physician, surgeon, dentist, or recognized hospital permission to perform any diagnostic, medical, or surgical treatment deemed appropriate by the College health service, or such physician, surgeon, dentist, or recognized hospital.

The Law requires that before medical or dental services can be performed for a person under 18 years of age, permission must be secured from the parent or guardian. Signing below grants this permission:

Signature of Student _____ Date _____
 (if student over 18 years of age)

Signature of Parent / Guardian _____ Date _____
 (if student under 18 years of age)

Part B- To be Completed by Student:

SELF-REPORTED MEDICAL HISTORY

Physical Limitations (if any): _____

Part D- To be Completed by Health Care Provider (Physician, NP, PA, or DC)

REQUIRED IMMUNIZATIONS

1. Tuberculosis Risk Assessment- Required Annually

PPD	1 st PPD Date Given _____ Date Read _____	Results: Circle one: 1 st PPD: Positive _____ Negative _____
	2 nd PPD Date Given _____ Date Read _____	2 nd PPD: Positive _____ Negative _____
	If either PPD result is positive, a chest x-ray must be obtained and a copy of the report must be on file in the Health Center. Previous BCG vaccine does not exempt the student from this requirement and a chest x-ray is not an acceptable substitute for a PPD skin test.	If Applicable: Chest X-Ray: Date _____ Results _____

2. Meningitis Vaccination Response

Please check one box only and sign below.

I have / my child:

- Had the meningococcal meningitis immunization (Menactra™) within the last 5 years. Vaccination Record attached. Date of vaccination: _____
- Read the meningitis information found on the D’Youville College Web Site under “Health Center” or have had explained to me the information regarding meningococcal meningitis disease. I understand the risks of not receiving the vaccine. I have decided that I (or my child) will NOT obtain immunization against meningococcal meningitis disease.

Signature of Student _____ Date _____
(if student over 18 years of age)

Signature of Parent / Guardian _____ Date _____
(if student under 18 years of age)

3. MMR (Measles, Mumps, Rubella) Students must have received two doses of MMR vaccine OR have serologic immunity to measles, mumps, and rubella. If prior vaccination documentation is not available, then documentation of immune serology for each component of the MMR vaccine is required.
