

D'Youville

Spartan Springboard Transfer Orientation

We are excited that you have chosen D'Youville and we can't wait to meet you at our Spartan Springboard orientation program!

Spartan Springboard for Transfers is a day of activities and workshops designed to get you ready and excited to return to campus in the fall. Please let us know in advance if you have any health issues, allergies, or dietary restrictions so that we can accommodate your needs.

CHECK-IN: Check in will take place in the D'Youville Academic Center (Building #11) and the event will begin on the 6th floor.

Parents are invited to attend a special parent and family program which runs simultaneously with the student program. Anyone looking for local hotels, please see [a list of affiliates offering discounted rates](#).

MEALS throughout the program will be provided free of charge to students and parents. Let us know of any special food needs or allergies ahead of time.

Please ensure that all health documentation has been handed in to the Health Center prior to your Orientation Session (716-829-8777 or healthcenter@dyc.edu).

Dress for orientation is comfortable and casual. Provided the weather cooperates, you may be outside for parts of the day, and there will be plenty of walking involved, so bring comfortable shoes, sunscreen, and anything else you may need.

This year as part of Spartan Springboard we are inviting you to participate in your first community service act as part of our D'Youville community. We are collecting items for families in need to help them send their children to school this fall. All items will be donated to the Buffalo West Side Community Center to help families in the local neighborhood. Specifically, we are looking for school supplies (bookbags, notebooks, composition books, pens, pencils, etc.) and basic toiletry and personal items (socks, underwear, shampoo, soap, deodorant, toothpaste, toothbrushes, small tissue packets, female hygiene items, etc.). If you can help, please bring items with you to the D'Youville Academic Center when you check in.

Course registration and advisement takes place separate from this event. For information on advisement, please contact your academic advisor or the Admissions Office at 716-829-7600. Please be sure your tuition deposit, proof of high school graduation, and final transcripts have been submitted prior to attending.

Spartan Springboard will help you meet other students, learn more about D'Youville, and get ready for the semester ahead. We ask that you come with an open mind and a willingness to have fun and be involved. Ask questions, come out of your comfort zone, and actively participate during the day and a half. Make the most of this experience, make friends, and get a feel for what being a Spartan is all about - you will be glad you did!
